Dear Mrs. Shriver;

By the way of introduction my name is Dr. R. Raymond Green of Heber City.

Last fall your relative Mrs. Burton (Lorna) VanWagoner brought me a photocopy of an old Midway band standing in front of an old wooden building in Midway with the lean-to shed which had "Post Office" written over the door.

This picture was not too plain. I made a copy of her picture on my photo machine and it was even lighter and dimmer.

Would there be a possibility of borrowing your original and have a professional photographer take a picture of it for me so that I could have a very clear copy for my History of Midway book ?

This process takes about 2 weeks to complete, I would take very good personal care of your picture, if you would allow me this privilege.

I have been able to identify this building and which band stood in front of it.

Sincerely Yours;

R. Raymond Green MD
